

# CM Signature Glide™

## Regain the freedom

*Many people wish to continue visiting businesses and churches in their own community, but loss of mobility can make it increasingly difficult to manage the stairs at these locations.*

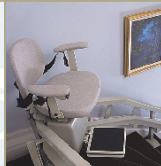

### Standard Advantages:

- Maintenance free DC power
- Quiet operation
- Smooth start and stop action
- Easy to use joystick operation
- Fold - up seat and footrest
- Infra - red remote controls
- Electronic and mechanical braking system
- Diagnostic digital display
- One (1) year preventative maintenance package.
- Two (2) year warranty on parts

The CM Signature Glide has evolved over time to make it one of the most technologically advanced stair lifts in the world. The CM Signature Glide is powered by a maintenance free DC power pack, which ensures your unit will still work in the event of a main power outage.

There are many accessories available to compliment the CM Signature Glide stair lift. These accessories are designed and manufactured to provide comfortable, practical and cost effective solutions for individuals with additional mobility and physical flexibility difficulties.
