

Designer™

Manufactured By Waupaca Inc.

COMPACT | VERSATILE | RELIABLE

A versatile model perfectly suited for existing hoistways or a remodeling project in your home.

The Designer series elevators are designed for applications where space is a premium. With its compact, reliable and efficient winding drum drive, this unit can fit into a space as little as 36" x 36". A flexible model for those wishing to design and decorate their own car interior or have the car elegantly

finished from the factory with hand crafted exotic woods, the choice is yours to make. The Designer car features, recessed lights, brushed to polished fixtures and a selection of traditional scissor or contemporary accordion style gates.

Standard Advantages:

- Dependable oil-less and efficient drum drive motor
- Car Operating Panel with light up push buttons, stop, alarm and over-ride car light switch.
- Hall stations include light up buttons and "Car In Use" indicator light.
- Soft start and stop
- Emergency battery operated lighting and alarm
- Two (2) year manufacturers warranty on parts and workmanship.
- One (1) year elevator preventative maintenance package.
